Thank you for attending the 38th annual Milton Mavericks Tournament, which is now known as the **Jim Leworthy Invitational Lacrosse Tournament**. Welcome, we hope you enjoy your stay in Canada's fastest growing city. We acknowledge that the land we gather on is part of the Treaty Lands and Territory of the Mississaugas of the Credit First Nation. We recognize the traditional territory of the Huron-Wendat and Haudenosaunee people. We also acknowledge the First Nations, Inuit and Metis people who live on these lands today. We stand as allies with the First Nations as stewards of these lands. On behalf of the Milton Minor Lacrosse Association, we wish the best of luck in the tournament and throughout the season.

**- Mary Campbell, Tournament Chair**

Please be sure to thank all the many volunteers that give countless hours to ensure our youth have great programs in which to learn, thrive and grow! If you think this is something you would like to do please contact your local organization and get involved! All great journeys begin with one step ...

## PLAYOFF & CHAMPIONSHIP ROUNDS IN U9, U11, U13, U17

### OLA Tie Break Formulation:

MR7.08(b) In the event of a tie in points between teams, the final standings shall be determined as follows:

#### TIE BREAKER FOR TWO TEAMS

In the event of a tie in points between two teams the final standings shall be determined as follows:

1. The team that won the greater number of points in games played, during the competition, between the teams tied shall be declared the winner of the higher position. (HEAD TO HEAD)
2. If tie still exists, the Goal Average Formula will be used to break the tie. All goals scored in the games during the competition shall be used in the goal average computation. (See Goal Average Formula below)
3. If a tie still exists, the team with least penalties in minutes in all Round Robin games played shall be declared the winner. In the case where the teams have not played the same number of games, the lowest average of the penalties in minutes in all Round Robin games shall be used to declare the winner.
4. If a tie still exists then a coin toss will decide the winner. The Goal Average Formula is defined as follows:

$$\text{GOAL AVERAGE} = \text{GF} / \text{GF} + \text{GA}$$

The team with goal average closest to 1.0 shall be declared the winner.

#### TIE BREAKER FOR THREE OR MORE TEAMS

1. The team(s) that won the greater number of points in games played, during the competition, between the team(s) tied shall be declared the winner of the higher position. (HEAD TO HEAD TO HEAD)
2. If tie still exists, the Goal Average Formula will be used to break the tie. Only goals scored in games between the tied teams during the competition shall be used in the goal average computation. (See Goal Average Formula)
3. If tie still exists, the Goal Average Formula will be used to break the tie. All goals scored in all games during the competition shall be used in the goal average computation. (See Goal Average Formula Below)
4. If a tie still exists, the team with the least penalties in minutes in all Round Robin games played shall be declared the winner. In the case where the teams have not played the same number of games, the lowest average of the penalties in minutes in all Round Robin games shall be used to declare the winner.
5. If a tie still exists then a coin toss will decide the winner. The Goal Average Formula is defined as follows:

$$\text{GOAL AVERAGE} = \text{GF} / \text{GF} + \text{GA}$$

The team with goal average closest to 1.0 shall be declared the winner

#### Semi Finals in U9, U11, U13, U17

The first (1st) and second (2nd) place teams in each group will play a crossover semi-final game.

The winners of the cross-pool games will play in the championship game.

#### GAME FORMAT OF PLAYOFFS/CHAMPIONSHIP

Will consist of three (3) fifteen (15) minute periods, all running time except for: U9 & U11 stop time will be the last two (2) minutes of the third (3rd) period

U13 & U15 & U17 stop time will be the last five (5) minutes of the third (3rd) period unless there is a goal differential greater than five (5), and then there will be no stop time.

There will be a three (3) minute rest break between periods.

Each team will be permitted two (2) thirty (30) second time-outs per game in the Playoff/Championship Rounds

In the event of a tie at the end of regulation play, there will be a three (3) minute rest break, change of ends, followed by a "sudden victory" ten (10) minute overtime period of stop time, with victory being declared upon scoring the first goal. (Sudden victory)

If the score remains tied at the end of the first overtime period, teams will have a three (3) minute rest break, change ends, followed by a "sudden victory" ten (10) minute overtime period of stop time, with victory being declared upon scoring the first goal. (Sudden victory).
